#### **Directors' Report**

#### For the financial year ended 30 June 2023

The Directors present their annual report and audited financial statements for the financial year ended 30 June 2023.

#### **Date of Incorporation**

Shenkman Credit Fund plc (the "Company"), an open-ended umbrella investment company with variable capital and segregated liability between its Sub-Funds, was incorporated in Ireland on 15 June 2011 under registration number 499990. The Company has been authorised as an Undertaking for Collective Investment in Transferable Securities ("UCITS") by the Central Bank of Ireland (the "Central Bank"), and is organised as an investment company with variable capital pursuant to the European Communities (Undertakings for Collective Investment in Transferable Securities) Regulations, 2011, as amended (the "UCITS Regulations"), and the Central Bank (Supervision and Enforcement) Act 2013 (Section 48(1)) (Undertakings for Collective Investment in Transferable Securities) Regulations 2019 (the "Central Bank UCITS Regulations").

The Company is an umbrella fund and, as of the date of this report, there are two active Sub-Funds (30 June 2022: three) in operation. Shenkman High Income Fund was launched on 1 July 2011 and Shenkman Global Convertible Bond Fund was launched on 21 May 2015. Shenkman Short Duration High Income Fund was launched on 25 August 2011 and ceased trading on 24 February 2023.

#### **Principal Activities and Review of Business**

The Company's principal activity is the collective investment of capital raised from the public in transferable securities. As of 30 June 2023 and 30 June 2022, the following are the active share classes for each launched Sub-Fund:

Sub-Fund Name	<b>Base Currency</b>	Share Classes
Shenkman High	US\$	Share Class A USD Accumulating
Income Fund	US\$	Share Class A USD Income Distributing <sup>a</sup>
	EUR	Share Class A EUR Hedged Accumulating
	GBP	Share Class A GBP Hedged Income Distributing <sup>a</sup>
	NOK	Share Class A NOK Hedged Accumulating
Shenkman Global	US\$	Share Class A USD Accumulating
Convertible Bond Fund	EUR	Share Class A EUR Hedged Accumulating
	GBP	Share Class A GBP Hedged Accumulating <sup>β</sup>

<sup>&</sup>lt;sup>a</sup> Share Class A GBP Hedged Income Distributing Shares and Share Class A USD Income Distributing Shares were fully redeemed as of 14 October 2022 and 15 December 2022, respectively.

As of 30 June 2022, the following were the active share classes for Shenkman Short Duration High Income Fund (ceased trading effective 24 February 2023):

Sub-Fund Name	<b>Base Currency</b>	Share Classes
Shenkman Short	US\$	Share Class A USD Accumulating
Duration High Income	US\$	Share Class A USD Income Distributing
Fund	US\$	Share Class B USD Accumulating
	US\$	Share Class B USD Income Distributing

β Share Class A GBP Hedged Accumulating was fully redeemed as of 23 May 2023.

# Directors' Report (continued) For the financial year ended 30 June 2023

#### **Principal Activities and Review of Business (continued)**

Details of the overview of the financial year are set out in the Investment Manager's Report on page 14.

#### **Risks and Uncertainties**

A detailed analysis of the risks facing each Sub-Fund and the use of financial instruments is included in Note 7 and Note 17 of the financial statements.

Throughout the financial year, the Company maintained the aim of spreading investment risk in accordance with the Companies Act, 2014.

#### **Significant Events During the Financial Year**

Please refer to Note 14 of the financial statements for details on significant events during the financial year.

#### **Subsequent Events**

Please refer to Note 15 of the financial statements for details on subsequent events after the financial year ended 30 June 2023.

#### Results

The financial position and results for the financial year are set out on pages 15 and 17.

A detailed review of the market performances and the management policy of each of the Sub-Funds are included in the Investment Manager's Report on page 14.

#### **Directors**

The names of the persons who were Directors at any time during the financial year are set out below:

Frank X. Whitley (American)
Kevin Molony (Irish)\*\*
Serge Todorovich (American)
Teddy Otto (German/Irish Resident)\*
Yvonne Connolly (Irish)\*

- \* Directors independent of the Investment Manager.
- \*\* Independent Director as per the Corporate Governance Code for Collective Investment Schemes and Management Companies as published by Irish Funds. All Directors are non-executive.

All Directors served throughout the financial year.

#### **Directors' Interests**

The Directors and Secretary (including family interests) do not have any direct shareholdings in the Company as at 30 June 2023 and 30 June 2022.

Serge Todorovich, General Counsel and Chief Compliance Officer of the Investment Manager, and Frank X. Whitley are shareholders of the Investment Manager. The Investment Manager was a shareholder of the Shenkman Short Duration High Income Fund (up to the date when it ceased trading effective 24 February 2023).

# Directors' Report (continued) For the financial year ended 30 June 2023

#### **Directors' Interests (continued)**

The remaining Directors did not directly or indirectly hold any shares in the Company during or as at the end of the financial year. Apart from as noted above, there are no contracts or arrangements of any significance in relation to the business of the Company in which Directors had any beneficial interest at any time during the financial year.

#### **Dividends**

Dividends paid or declared during the financial years ended 30 June 2023 and 30 June 2022 are shown in Note 2(e) of the financial statements.

#### **Corporate Governance Code**

The Directors have adopted all corporate governance practices and procedures in the voluntary Corporate Governance Code for Collective Investment Schemes and Management Companies as published by Irish Funds (the "IF Corporate Governance Code"). The Independent Director of the Company, Kevin Molony, is identified as the Independent Director of the Company for the purpose of paragraph 4.1 of the IF Corporate Governance Code for the Fund Management Industry.

#### **Accounting Records**

To ensure that adequate accounting records are kept in accordance with the Companies Act, 2014, the Directors of the Company have employed a service organisation, BNY Mellon Fund Services (Ireland) Designated Activity Company (the "Administrator"). The accounting records are located at the offices of the Administrator at One Dockland Central, Guild Street, IFSC, Dublin 1, Ireland, D01 E4X0.

#### **Statement of Directors' Compliance**

The Directors acknowledge that they are responsible for securing the Company's compliance with the relevant obligations as set out in Section 225 of the Companies Act, 2014.

The Directors confirm that:

- A compliance policy has been drawn up that sets out policies that, in the Directors' opinion, are appropriate to the Company, respecting compliance by the Company with its relevant obligations;
- Appropriate arrangements or structures are in place that are, in the Directors' opinion, designed to secure material compliance with the Company's relevant obligations; and
- During the financial year, the arrangements or structures referred to above have been reviewed.

#### **Relevant Audit Information**

So far as the Directors are aware, there is no relevant audit information of which the Company's auditors are unaware and the Directors have taken all the steps that should have been taken as Directors in order to make themselves aware of any relevant audit information and to establish that the Company's auditors are aware of that information.

#### **Connected Persons**

Regulation 43(1) of the UCITS Regulations "Restrictions on transactions with connected persons" states that "A responsible person shall ensure that any transaction between a UCITS and a connected person is conducted a) at arm's length; and b) in the best interest of the unit-holders of the UCITS".

# Directors' Report (continued) For the financial year ended 30 June 2023

#### **Connected Persons (continued)**

As required under UCITS Regulation 81.4, the Directors of the Manager (the Responsible Person) are satisfied that there are in place arrangements, evidenced by written procedures, to ensure that the obligations that are prescribed by Regulation 43(1) are applied to all transactions with a connected persons; and all transactions with a connected persons that were entered into during the financial period to which the report relates complied with the obligations that are prescribed by Regulation 43(1).

#### **Independent Auditor**

The Auditor, Grant Thornton Chartered Accountants, Registered Auditor, will be re-appointed in accordance with Section 383(2) of the Companies Act, 2014.

# Statement of Directors' Responsibilities in Respect of the Directors' Report and the Financial Statements

For the financial year ended 30 June 2023

The Directors are responsible for preparing the Directors' Report and financial statements in accordance with applicable laws and regulations.

The Directors are required under law to prepare financial statements for each financial year. The Directors have elected to prepare the Company's financial statements in accordance with International Financial Reporting Standards ("IFRS") as adopted in the European Union ("EU").

The Company's financial statements are required by law to give a true and fair view of the state of affairs of the Company and of its profit or loss for that financial year.

In preparing the financial statements, the Directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business.

The Directors confirm that they have complied with the above requirements in preparing the financial statements.

The Directors are responsible for keeping adequate accounting records that disclose with reasonable accuracy at any time the financial position of the Company and enable them to ensure that its financial statements comply with the Companies Act, 2014, the UCITS Regulations and the Central Bank UCITS Regulations. They are also responsible for taking such steps as are reasonably open to them to safeguard the assets of the Company and to prevent and detect fraud and other irregularities.

The Directors are also responsible for preparing a Directors' Report that complies with the requirements of the Companies Act, 2014.

The measures taken by the Directors to ensure compliance with the Company's obligation to keep adequate accounting records are the use of appropriate systems and procedures and the appointment of an experienced administrator, BNY Mellon Fund Services (Ireland) Designated Activity Company (the "Administrator"). The accounting records are held at the office of the Administrator. Under the UCITS Regulations, the Directors are required to entrust the assets of the Company to the Depositary for safe-keeping. In carrying out this duty, the Company has delegated custody of the Company's assets to The Bank of New York Mellon SA/NV, Dublin Branch.

On behalf of the Board of Directors

Director

Date: 23 October 2023

# Report from the Depositary to the Shareholders Dated 23 October 2023

For the period from 01 July 2022 to 30 June 2023 (the "Period")

The Bank of New York Mellon SA/NV, Dublin Branch (the "Depositary", "us", "we", or "our") has enquired into the conduct of Shenkman Credit Fund plc (the "Company") for the Period, in its capacity as depositary to the Company.

This report including the opinion has been prepared for and solely for the shareholders in the Company, in accordance with our role as depositary to the Company and for no other purpose. We do not, in giving this opinion, accept or assume responsibility for any other purpose or to any other person to whom this report is shown.

#### **Responsibilities of the Depositary**

Our duties and responsibilities are outlined in Regulation 34 of the of the European Communities (Undertakings for Collective Investment in Transferable Securities) Regulations 2011 (S.I. No 352 of 2011), as amended (the "Regulations").

Our report shall state whether, in our opinion, the Company has been managed in that period in accordance with the provisions of the Company's constitutional documentation and the Regulations. It is the overall responsibility of the Company to comply with these provisions. If the Company has not been so managed, we as depositary must state in what respects it has not been so managed and the steps which we have taken in respect thereof.

#### **Basis of Depositary Opinion**

The Depositary conducts such reviews as it, in its reasonable opinion, considers necessary in order to comply with its duties and to ensure that, in all material respects, the Company has been managed (i) in accordance with the limitations imposed on its investment and borrowing powers by the provisions of its constitutional documentation and the appropriate regulations and (ii) otherwise in accordance with the Company's constitutional documentation and the appropriate regulations.

#### **Opinion**

In our opinion, the Company has been managed during the Period, in all material respects:

- (i) in accordance with the limitations imposed on the investment and borrowing powers of the Company by the constitutional documentation and the Regulations; and
- (ii) otherwise in accordance with the provisions of the constitutional documentation and the Regulations.

For and on behalf of The Bank of New York Mellon SA/NV, Dublin Branch, Riverside Two,
Sir John Rogerson's Quay,
Grand Canal Dock,
Dublin 2.

Date: 23 October 2023

#### Independent auditor's report to the members of Shenkman Credit Fund plc

#### **Opinion**

We have audited the financial statements of Shenkman Credit Fund plc ("the Company"), which comprise the Statement of Financial Position as at 30 June 2023 and the Statement of Comprehensive Income, the Statement of Changes in Net Assets Attributable to Holders of Redeemable Participating Shares, the Statement of Cash Flows, the Schedule of Investments, and the related notes to the financial statements, including the summary of significant accounting policies for the year ended 30 June 2023.

The financial reporting framework that has been applied in the preparation of the financial statements is Irish law and International Financial Reporting Standards (IFRS) as adopted by the European Union.

In our opinion, Company's financial statements:

- give a true and fair view in accordance with IFRS as adopted by the European Union of the assets, liabilities and financial position of the Company as at 30 June 2023 and of its financial performance and cash flows for the financial year then ended; and
- have been properly prepared in accordance with the requirements of the Companies Act 2014 and European Communities (Undertaking for Collective Investment in Transferable Securities) Regulations 2011 and the Central Bank (Supervision and Enforcement) Act 2013 (Section 48(1)) (Undertakings for Collective Investment in Transferable Securities) (Amendment) Regulations 2019".

### **Basis for opinion**

We conducted our audit in accordance with International Standards on Auditing (Ireland) ('ISAs (Ireland)) and applicable law. Our responsibilities under those standards are further described in the 'Responsibilities of the auditor for the audit of the financial statements' section of our report. We are independent of the Company in accordance with the ethical requirements that are relevant to our audit of the financial statements in Ireland, including the Ethical Standard for Auditors (Ireland) issued by the Irish Auditing and Accounting Supervisory Authority (IAASA), and the ethical pronouncements established by Chartered Accountants Ireland, applied as determined to be appropriate in the circumstances for the entity. We have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### Material uncertainty related to going concern

In forming our opinion, which is not modified, we draw attention to disclosures made in the Note 3 to the financial statements, which indicates the material uncertainties related to going concern. As at the date of approval of these financial statements, Shenkman Global Convertible Bond Fund is the only remaining active sub fund and one of its shareholders had a significant capital balance. Such Sub-Fund and the Company, as a whole, could be materially affected by the actions of such shareholder in the next 12 months of operations.

As stated in Note 3, these events and conditions indicate that a material uncertainty exists that may cast significant doubt on the Company's ability to continue as a going concern. The financial statements have been prepared on a going concern basis, which assumes that the Company will continue in operational existence for the foreseeable future. The validity of this assumption as stated in Note 3 depends on the actions of such shareholder in the next 12 months of operations of the Company. The Board, together with the Manager and Investment Manager, continue to monitor the scenario and evaluate alternative business plans to maintain its investments in Shenkman Global Convertible Bond Fund. Further, the Board is seeking other investment opportunities and has a reasonable expectation, based on current and anticipated future performance and liquidity position that the remaining Sub-Fund and the Company will continue in operational existence for a period of at least 12 months from the date of approval of these financial statements.

# Independent auditor's report to the members of Shenkman Credit Fund plc (continued)

#### Material uncertainty related to going concern (continued)

The financial statements do not include any adjustments relating to the recoverability and classification of recorded asset amounts and classifications of liabilities that might be necessary should the Company be unable to continue in existence. In auditing the financial statements, we have concluded that the directors' use of going concern basis of accounting in the preparation of the financial statements is appropriate.

Our responsibilities and the responsibilities of the directors with respect to going concern are described in the relevant sections of this report.

#### Other information

Other information comprises information included in the annual report, other than the financial statements and the auditor's report thereon such as Directors' Report, Statement of Directors' Responsibilities, Report from the Depositary to the Shareholders, Investment Manager's Report, Unaudited Schedule of Portfolio Changes and the unaudited appendices to the Annual Report.

The directors are responsible for the other information. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated. If we identify such material inconsistencies in the financial statements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

#### Matters on which we are required to report by the Companies Act 2014

- We have obtained all the information and explanations, which we consider necessary for the purposes of our audit.
- In our opinion, the accounting records of the Company were sufficient to permit the financial statements to be readily and properly audited.
- The financial statements are in agreement with the accounting records.
- In our opinion, the information given in the Directors' Report is consistent with the financial statements. Based solely on the work undertaken in the course of our audit, in our opinion, the Directors' Report has been prepared in accordance with the requirements of the Companies Act 2014.

#### Matters on which we are required to report by exception

Based on our knowledge and understanding of the Company and its environment obtained in the course of the audit, we have not identified material misstatements in the Directors' Report.

Under the Companies Act 2014 we are required to report to you if, in our opinion, the disclosures of directors' remuneration and transactions specified by sections 305 to 312 of the Act have not been made. We have no exceptions to report arising from this responsibility.

# Independent auditor's report to the members of Shenkman Credit Fund plc (continued)

# Responsibilities of management and those charged with governance for the financial statements

As explained more fully in the Directors' responsibilities statement, management is responsible for the preparation of the financial statements which give a true and fair view in accordance with IFRS as adopted by the European Union, and for such internal control as they determine necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Company's financial reporting process.

#### Responsibilities of the auditor for the audit of the financial statements

The auditor's objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes their opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (Ireland) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs (Ireland), the auditor will exercise professional judgment and maintain professional scepticism throughout the audit. The auditor will also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for their opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If they conclude that a material uncertainty exists, they are required to draw attention in the auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify their opinion. Their conclusions are based on the audit evidence obtained up to the date of the auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

# Independent auditor's report to the members of Shenkman Credit Fund plc (continued)

#### Responsibilities of the auditor for the audit of the financial statements (continued)

• Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves a true and fair view.

The auditor communicates with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that may be identified during the audit.

#### The purpose of our audit work and to whom we owe our responsibilities

This report is made solely to the company's members, as a body, in accordance with section 391 of the Companies Act 2014. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

#### **David Lynch**

for and on behalf of Grant Thornton Chartered Accountants & Statutory Audit Firm 13-18 City Quay Dublin 2

Date: 23 October 2023

#### **Investment Manager's Report**

The year 2022 continued to be dominated by rate increases as a response to inflation, and almost all asset classes posted negative returns. Other factors that impacted the market included a strong US Dollar, higher oil prices, and stubborn full employment. By asset class as of 31 December 2022, the ICE BofA US High Yield Index (H0A0) posted a negative return of -11.22%, leveraged loans outperformed, returning -0.63% while investment grade and U.S. government debt returned -15.45% and -12.86%, respectively.

The high yield bond market (as measured by the ICE BofA US High Yield (H0A0) Index) had a volatile first quarter in 2023. In January, spreads tightened, with an aggressive CCC "risk-on" rally. The overall market had tightened from an Option-Adjusted-Spread (OAS) of 479 bps on 1st of January to 398bps in mid-March, then widened to 522bps during the banking distress, but ended the quarter at 458bps.

Over the second quarter 2023, the High Yield Bond Market (as measured by the ICE BofA US High Yield (H0A0) Index) posted return of 1.63%. By comparison, the Bloomberg US Aggregate Index was down -84bps. This occurred during a quarter when a U.S. deficit crisis was averted, the yield on 5 Year US Treasuries increased by +58bps, and the average price in the High Yield Bond Market held relatively constant.

#### **Market Outlook**

The market appears to be pivoting back to a focus on rates, at least for the near-term, which we believe is likely to cause some volatility as the July Federal Open Market Committee meeting approaches. However, despite the volatility, rates appear relatively range bound and likely to stay elevated over historical averages of this century. However, we believe the key for the High Yield Bond Market to continue performing well is likely to be a combination of an active new issue market and maintaining a below historical average default rate.

The Shenkman High Income Fund (Class A USD Accumulating) produced a net return of +8.90% for the 12 months ending 30 June 2023, while the ICE BofA U.S. High Yield Index (H0A0) returned +8.87%. At the end of June 2023, the Sub-Fund was invested in 277 issuers across 16 industries, with a 7.73% Yield-to-Worst, an average credit rating of S&P B+ and Moody's B1 and an average C.Scope ® Score of 82.

The Shenkman Global Convertible Bond Fund (Class A USD Accumulating) produced a net return of +7.34% for the 12 months ending 30 June 2023, while the Refinitiv Convertible Global Focus Hedged (USD) Index returned +8.37%. At the end of June 2023, the Sub-Fund included 135 issuers across 36 industries, and the average C.Scope® Score was 85.

Notes to the financial statements

#### 1. Establishment and Organisation

Shenkman Credit Fund plc (the "Company") is an open-ended umbrella investment company with segregated liability between Sub-Funds and variable capital incorporated in Ireland as a public limited company on 15 June 2011 under registration number 499990.

As of 30 June 2023, the Company had two active Sub-Funds (each a "Sub-Fund" and together the "Sub-Funds"):

- Shenkman High Income Fund, launched on 1 July 2011,
- Shenkman Global Convertible Bond Fund, launched on 21 May 2015.

The Shenkman Short Duration High Income Fund was launched on 25 August 2011 and following the Directors' decision to close the Sub-Fund on 3 February 2023, it ceased trading effective 24 February 2023.

The Company had no employees for the financial years ended 30 June 2023 and 30 June 2022.

The investment objective of the Shenkman High Income Fund is to seek to achieve maximum total return (i.e., both enhancing current income and achieving capital appreciation) by investing primarily in fixed income, high yield securities (i.e., below investment grade securities), predominantly issued by U.S. issuers that are denominated in U.S. Dollars.

The investment objective of the Shenkman Short Duration High Income Fund was to seek to achieve high current income. The Sub-Fund sought to achieve its objective by investing a majority (i.e., more than 50 per cent) of its net asset value in a portfolio of fixed income and high yield securities (i.e., below investment grade securities). While the Sub-Fund had an overall targeted duration of three years or less, it purchased and held securities of any duration and of any quality, rated or unrated.

The investment objective of the Shenkman Global Convertible Bond Fund is to seek to maximise total returns on a risk-adjusted basis (i.e., enhance current income and achieve capital appreciation) by investing primarily in transferable securities and liquid financial assets. The transferable securities and liquid financial assets in which the Sub-Fund may invest generally must be listed, traded or dealt in on a regulated market provided that up to 10 per cent of the net asset value of the Sub-Fund may be invested in transferable securities and liquid financial assets that are not so listed, traded or dealt.

#### 2. Significant Accounting Policies

#### (a) Basis of preparation

The financial statements are prepared in accordance with International Financial Reporting Standards ("IFRS") as adopted by the European Union, the provisions of the UCITS Regulations and the Central Bank UCITS Regulations and in accordance with the requirements of the Companies Act, 2014. Notwithstanding the adoption of new standards as set out below, the accounting policies, unless otherwise stated, have been applied consistently by the Company.

The financial statements have been prepared under the historical cost convention, as modified by the revaluation of financial assets and financial liabilities (including derivative financial instruments) at fair value through profit or loss.

Notes to the financial statements (continued)

### 2. Significant Accounting Policies (continued)

#### (b) New standards and interpretations

#### New standards, amendments and interpretations effective during financial year

At the date of approval of these financial statements, the following standards, amendments and interpretations to existing standards were adopted by the Company effective from 01 July 2022:

Narrow-scope amendments to IFRS 3, IAS 16, IAS 37 and some annual improvements on IFRS 1, IFRS 9, IAS 41 and IFRS 16

Amendments to IFRS 3, 'Business combinations' update a reference in IFRS 3 to the Conceptual Framework for Financial Reporting without changing the accounting requirements for business combinations.

Amendments to IAS 16, 'Property, plant and equipment' prohibit a company from deducting from the cost of property, plant and equipment amounts received from selling items produced while a company is preparing the asset for its intended use. Instead, a company will recognise such sales proceeds and related cost in profit or loss.

Amendments to IAS 37, 'Provisions, contingent liabilities and contingent assets' specify which costs a company includes when assessing whether a contract will be loss-making.

Annual improvements make minor amendments to IFRS 1, 'First-time Adoption of IFRS', IFRS 9, 'Financial instruments', IAS 41, 'Agriculture' and the Illustrative Examples accompanying IFRS 16, 'Leases'.

The amendments apply for annual reporting periods beginning on or after 1 January 2022.

Based on the assessment, the adoption of these amendments and updates did not have a material impact on the Company.

There were no other standards which have had any impact on the Company's accounting policies.

#### Standards, amendments and interpretations in issue but not yet effective for the Company

IFRS 17, 'Insurance contracts'

This standard will replace IFRS 4, which currently permits a wide variety of practices in accounting for insurance contracts. IFRS 17 will change the accounting by all entities that issue insurance contracts and investment contracts with discretionary participation features.

Narrow-scope amendments to IAS 1, Practice statement 2 and IAS 8

The amendments aim to improve accounting policy disclosures and to help users of the financial statements to distinguish between changes in accounting estimates and changes in accounting policies. The amendments apply for annual reporting periods beginning on or after 1 January 2023.

Amendment to IAS 12 – deferred tax related to assets and liabilities arising from a single transaction These amendments require companies to recognise deferred tax on transactions that, on initial recognition give rise to equal amounts of taxable and deductible temporary differences. The amendments apply for annual reporting periods beginning on or after 1 January 2023.

Notes to the financial statements (continued)

### 2. Significant Accounting Policies (continued)

#### (b) New standards and interpretations (continued)

# Standards, amendments and interpretations in issue but not yet effective for the Company (continued)

#### Amendments to IFRS 16 - Leases on sale and leaseback

These amendments include requirements for sale and leaseback transactions in IFRS 16 to explain how an entity accounts for a sale and leaseback after the date of the transaction. Sale and leaseback transactions where some or all the lease payments are variable lease payments that do not depend on an index or rate are most likely to be impacted. The amendments apply for annual reporting periods beginning on or after 1 January 2024.

#### Amendments to IAS 1 - Non-current liabilities with covenants

These amendments clarify how conditions with which an entity must comply within twelve months after the reporting period affect the classification of a liability. The amendments also aim to improve information an entity provides related to liabilities subject to these conditions. The amendments apply for annual reporting periods beginning on or after 1 January 2024.

#### IFRS S1 - General Requirements for Disclosure of Sustainability-related Financial Information

The objective of IFRS S1 is to require an entity to disclose information about its sustainability-related risks and opportunities that is useful to users of general-purpose financial reports in making decisions relating to providing resources to the entity. IFRS S1 requires an entity to disclose information about all sustainability-related risks and opportunities that could reasonably be expected to affect the entity's cash flows, its access to finance or cost of capital over the short, medium or long term (collectively referred to as 'sustainability-related risks and opportunities that could reasonably be expected to affect the entity's prospects'). IFRS S1 is effective for annual reporting periods beginning on or after 1 January 2024 with earlier application permitted as long as IFRS S2 Climate-related Disclosures is also applied.

#### IFRS S2 - Climate-related Disclosures

The objective of IFRS S2 is to require an entity to disclose information about its climate-related risks and opportunities that is useful to users of general-purpose financial reports in making decisions relating to providing resources to the entity. IFRS S2 requires an entity to disclose information about climate-related risks and opportunities that could reasonably be expected to affect the entity's cash flows, its access to finance or cost of capital over the short, medium or long term (collectively referred to as 'climate-related risks and opportunities that could reasonably be expected to affect the entity's prospects').

IFRS S2 is effective for annual reporting periods beginning on or after 1 January 2024 with earlier application permitted as long as IFRS S1 General Requirements for Disclosure of Sustainability-related Financial Information is also applied.

A number of new standards and amendments to standards are yet to be effective for annual periods beginning after 1 July 2022 and earlier application is permitted; however, the Company has not early adopted any of the forthcoming new or amended standards in preparing this annual report and audited financial statements as they are not expected to have a significant impact on the Company.

There are no other standards, amendments and interpretations to existing standards that are not yet effective that would be expected to have a significant impact on the Company, which is not expected to be material.

Notes to the financial statements (continued)

#### **Significant Accounting Policies (continued)**

#### **Financial instruments** (c)

#### (i) Classification

The Company classifies its investments based on both the Company's business model for managing those financial assets and the contractual cash flow characteristics of the financial assets. In making an assessment of the objectives of the business model in which a financial asset is held, the Company considers all of the relevant information about how the business is managed, including the documented investment strategy and the execution of this strategy in practice, how the performance of the portfolio is evaluated and reported to the Company's risks management, and the risks that affect the performance of the business model and how those risks are managed.

In assessing whether the contractual cash flows are solely payment of principal ("SPPI"), the Company considers the contractual terms of the instrument such as contingent events that would change the amount or timing of cash flows, prepayments features, etc.

The Company has classified its financial assets into the following categories under IFRS 9:

- Financial assets at fair value through profit or loss: this includes bonds, term loans and financial derivative instruments. These financial assets are managed and their performance is evaluated, on a fair value basis, with frequent sales taking place.
- Financial assets at amortised cost: this includes bond interest and other income receivable, cash and cash equivalents, receivables on subscriptions and sale of investments and other receivables. These financial assets are held to collect contractual cash flows.

### Recognition, derecognition and measurement Financial assets and financial liabilities at fair value through profit or loss are initially recognised at

fair value. Transaction costs are expensed as incurred in the Statement of Comprehensive Income.

Financial assets are derecognised when the rights to receive cash flows from the investments have expired or the Sub-Fund has transferred substantially all risks and rewards of ownership.

Subsequent to initial recognition, all financial assets and financial liabilities at fair value through profit or loss are measured at fair value. Gains and losses arising from changes in the fair value of the financial assets or financial liabilities at fair value through profit or loss category are recognised in the Statement of Comprehensive Income and presented net within gains/(losses) in the financial year in which they arise.

#### Fair value estimation and hierarchy

Fair value is the amount for which an asset could be exchanged, or a liability settled, between knowledgeable, willing parties in an arm's length transaction on the measurement date.

When available, the Company measures the fair value of an instrument using quoted prices in an active market for that instrument. A market is regarded as active if quoted prices are readily and regularly available and represent actual and regularly occurring market transactions on an arm's length basis. These instruments are included within level 1 of the fair value hierarchy.

Notes to the financial statements (continued)

### 2. Significant Accounting Policies (continued)

#### (d) Fair value estimation and hierarchy (continued)

Financial instruments, other than those listed and actively traded on an official stock exchange, are valued by independent pricing services based on pricing models. The models also take into consideration data received from active market makers and broker-dealers, yield curves, and the spread over comparable bond issues. The spreads change daily in response to market conditions and are generally obtained from the new issue market and broker dealer sources. The Sub-Funds hold convertible bonds. The investment value of a convertible security is influenced by changes in interest rates, with investment value declining as interest rates increase and increasing as interest rates decline. The conversion value of a convertible security is determined by the market price of the underlying common stock. To the extent that these inputs are observable, the values of these bonds are categorised within level 2 of the fair value hierarchy, including corporate bonds and term loans.

The fair values of forward foreign currency exchange contracts are calculated by reference to current exchange rates for contracts with similar maturity and risk profiles. To the extent that these are observable, the values of those forward foreign currency exchange contracts are classified within level 2 of the fair value hierarchy.

The determination of fair value for financial assets and liabilities for which there is no observable market price requires valuation techniques. IFRS 7 establishes a fair value hierarchy for inputs used in measuring fair value that maximises the use of observable inputs and minimises the use of unobservable inputs by requiring that the most observable inputs be used when available. Observable inputs are those that market participants would use in pricing the asset or liability based on market data obtained from sources independent of the Company. Unobservable inputs reflect the Company's management's assumptions, made in good faith, about the inputs market participants would use in pricing the asset or liability developed based on the best information available in the circumstances. The fair value hierarchy is categorised into three levels based on the inputs as follows:

Level 1 - Valuations based on quoted prices in active markets for identical assets or liabilities;

Level 2 - Valuations based on quoted prices in markets that are not active or for which all significant inputs are observable, either directly (as prices) or indirectly (derived from prices); and

Level 3 - Valuations based on inputs that are unobservable and significant to the overall fair value measurement.

Inputs are used in applying the various valuation techniques and broadly refer to the assumptions that market participants use to make valuation decisions, including assumptions about risk. Inputs may include price information, volatility statistics, specific and broad credit data, liquidity statistics, and other factors. A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. However, the determination of what constitutes "observable" requires significant judgement by the Company.

The Company considers observable data to be market data which is readily available, regularly distributed or updated, reliable and verifiable, not proprietary, and provided by independent sources that are actively involved in the relevant market. The categorisation of a financial instrument within the hierarchy is based upon the pricing transparency of the instrument and does not necessarily correspond to the Company's perceived risk of that instrument.

Notes to the financial statements (continued)

### 2. Significant Accounting Policies (continued)

#### (d) Fair value estimation and hierarchy (continued)

Fair value is a market-based measure considered from the perspective of a market participant rather than an entity-specific measure. Therefore, even when market assumptions are not readily available, the Company's assumptions are set to reflect those that market participants would use in pricing the asset or liability at the measurement date. The Company uses prices and inputs that are current as of the measurement date, including periods of market dislocation. In periods of market dislocation, the observability of prices and inputs may be reduced for many securities. This condition could cause a security to be reclassified to a lower level within the fair value hierarchy.

Transfers between levels of the fair value hierarchy are deemed to have occurred at the end of the reporting year.

The tables below present information about the Company's financial assets and financial liabilities measured at fair value on a recurring basis as of 30 June 2023 and 30 June 2022:

### 2. Significant Accounting Policies (continued)

#### (d) Fair value estimation and hierarchy (continued)

# Assets and liabilities not carried at fair value but for which fair value is disclosed (continued)

Cash comprises cash on hand and demand deposits. Cash equivalents are short term, highly liquid investments that are readily convertible to known amounts of cash and which are subject to insignificant changes in value with a maturity of three months or less. As such, level 1 has been deemed the most appropriate categorisation for each Sub-Fund's cash and cash equivalents.

Bond interest and other income receivable, receivable on sale of investments and other receivables represent the contracted amounts for settlement of trades and other obligations due to each Sub-Fund.

Administration fees, management fees, investment management fees, depositary fees, payable on purchase of investments, payable on redemptions and other expenses payable represent the contractual amounts and obligations due by each Sub-Fund for settlement of trades and expenses.

The puttable value of net assets attributable to holders of redeemable participating shares is calculated based on the net difference between total assets and all other liabilities of the relevant Sub-Fund in accordance with the Sub-Fund's offering documents. The redeemable participating shares are not traded in an active market. A demand feature is attached to net assets attributable to redeemable participating shares as a shareholder can redeem from each relevant Sub-Fund on any dealing day for cash equal to a proportionate share of the relevant Sub-Fund's net asset value. The fair value is based on the amount payable on demand, discounted from the first date that the amount could be required to be paid. The impact of discounting in this instance is not material.

As such, level 2 has been deemed the most appropriate classification for each Sub-Fund's receivables, payables and net assets attributable to holders of redeemable participating shares as noted above.

#### (e) Distributions

The Directors intend to declare dividends in respect of certain Class A and Class B Shares of the Sub-Funds ("Distributing Share Classes"). Other than in respect of the Distributing Share Classes, it is intended that, in the normal course of business, distributions will not be declared in respect of any other Classes of Shares ("Accumulating Share Classes") and that any net investment income and realised and unrealised capital gains net of realised and unrealised capital losses attributable to each Accumulating Share Class will be accumulated in the respective net asset value per Share of each respective Class of Shares and will be reinvested in accordance with the investment objectives and investment policies of the relevant Sub-Fund.

In respect of the Distributing Share Classes, the Directors have intended to declare a dividend on a quarterly basis as of each 31 March, 30 June, 30 September and 31 December. Dividends have been paid in respect of the financial years ended 30 June 2023 and 30 June 2022 as overleaf:

Notes to the financial statements (continued)

### 2. Significant Accounting Policies (continued)

#### (f) Foreign currency

Assets and liabilities denominated in currencies other than US\$ are translated into US\$ using exchange rates prevailing at each financial year end. Transactions during the financial year are translated at the rate of exchange prevailing on the date of the transaction. Foreign currency gains and losses on investment transactions and retranslation of closing investments are included in the Statement of Comprehensive Income.

#### (g) Consent fees

Consent fees relating to corporate actions from investments held are included in net gain/loss on financial assets and liabilities at fair value through profit or loss in the Statement of Comprehensive Income.

#### (h) Bond interest income

Bond interest income on financial assets at fair value through profit or loss is recognised in the Statement of Comprehensive Income on an accruals basis.

Bond interest receivable, included within Bond Interest and Other Income Receivable line in the Statement of Financial Position, relates to financial assets at fair value through profit or loss.

#### (i) Expenses

Expenses are recognised in the Statement of Financial Position on an accruals basis.

#### (j) Transaction costs

Transaction costs include fees and commissions paid to agents, advisers, brokers and dealers, levies by regulatory agencies and security exchanges, and transfer taxes and duties. Transaction costs do not include debt premiums or discounts, financing costs or internal administrative or holding costs.

Transaction costs on the purchase and sale of bonds are included in the purchase and sale price of the investment. These costs cannot be practically or reliably gathered as they are embedded in the cost of the investment and cannot be separately verified or disclosed. These are included in net gain/loss on financial assets and liabilities at fair value through profit or loss in the Statement of Comprehensive Income.

#### (k) Offsetting financial instruments

Financial assets and liabilities are offset and the net amount reported in the Statement of Financial Position when there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis or realise the asset and settle the liability simultaneously. The legally enforceable right must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the Company or the counterparty.

#### (I) Other income

Other income includes income received on short-term highly liquid investments. Other income is recognised daily on an accruals basis in line with the contractual terms of the relevant agreements.

Notes to the financial statements (continued)

#### 2. Significant Accounting Policies (continued)

#### (m) Term loans

Term loans (inclusive of loan participations) are arranged through private negotiations between a corporation or other type of entity and one or more financial institutions. Such investments are expected to be in the form of participations in, or assignment of the loans, which may or may not be securitised. Term loans are classified by the Company as financial assets at fair value through profit or loss, and are initially recognised at fair value. Gains and losses arising from changes in the fair value of the financial assets are presented in the Statement of Comprehensive Income, in the financial year in which they arise.

As at 30 June 2023 and 30 June 2022, there were no term loans held.

#### 3. Critical accounting estimates and judgements

#### Use of estimates and judgements

The preparation of the financial statements in conformity with IFRS requires management to make judgements, estimates and assumptions that affect the application of accounting policies and the reported amount of assets, liabilities, income and expenses. Actual results may differ from these estimates. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the financial year in which the estimates are revised and in any future years affected. Judgements made by the Directors in the application of IFRS that have significant effects on the financial statements are displayed where applicable, in the relevant notes to the financial statements.

#### Functional and presentation currency

Items included in the Company's financial statements are measured using the currency of the primary economic environment in which it operates (the "functional currency"). This is the United States Dollar ("US\$"), reflecting the fact that substantially all of the Company's capital and investments are denominated in US\$. The Company has also adopted the US\$ as its presentation currency.

#### Going concern

The Company's management has made an assessment of the Company's ability to continue as a going concern and has identified material uncertainties as follows:

- Shenkman Short Duration High Income Fund ceased trading on 24 February 2023.
- Shenkman High Income Fund will cease trading on 25 October 2023.
- As of 30 June 2023, one of the shareholders of Shenkman Global Convertible Bond Fund had
  a significant capital balance. Such Sub-Fund and the Company, as a whole, could be
  materially affected by the actions of such shareholder in the next 12 months of operations.
  Shenkman Global Convertible Bond Fund is the only remaining active Sub-Fund of the
  Company as of the date of approval of these financial statements.

The Board, together with the Manager and Investment Manager, continue to monitor the scenario and evaluate alternative business plans to maintain its investments in Shenkman Global Convertible Bond Fund. Further, the Board is seeking other investment opportunities and has a reasonable expectation, based on current and anticipated future performance and liquidity position that the remaining Sub-Fund and the Company will continue in operational existence for a period of at least 12 months from the date these financial statements are authorized for issuance. The Board has concluded after considering all relevant information, including the feasibility and effectiveness of the actions it plans to take, that it is appropriate to prepare the financial statements on a going concern basis.

The movement in unrealised gain/(loss) on financial assets and liabilities at fair value through profit or loss represents the difference between the fair value of a financial instrument at the end of the financial year, and its cost, and its fair value at the beginning of the financial year, or transaction price when purchased in the current reporting year, and its cost.

Realised gains or losses on the sale of financial instruments are calculated by using the average cost basis.

Notes to the financial statements (continued)

#### 5. Taxation

Under current Irish law and practice, the Company qualifies as an investment undertaking for the purposes of Section 739B of the Taxes Consolidation Act 1997, as amended. On that basis, it is generally not chargeable to Irish tax on its income and gains.

However, Irish tax can arise on the happening of a "chargeable event" in the Company. A chargeable event includes any payments of distributions to Shareholders, any encashment, repurchase, redemption, cancellation or transfer of Shares and any deemed disposal of Shares as described below for Irish tax purposes arising as a result of holding Shares in the Company for a period of eight years or more. Where a chargeable event occurs, the Company is required to account for the Irish tax thereon.

No Irish tax will arise in respect of a chargeable event where:

- (a) the Shareholder is neither resident nor ordinarily resident in Ireland ("Non-Irish Resident") and it (or an intermediary acting on its behalf) has made the necessary declaration to that effect and the Company is not in possession of any information which would reasonably suggest that the information contained in the declaration is not, or is no longer, materially correct; or
- (b) the Shareholder is Non-Irish Resident and has confirmed that to the Company and the Company is in possession of written notice of approval from the Revenue Commissioners to the effect that the requirement to provide the necessary declaration of non-residence has been complied with in respect of the Shareholder and the approval has not been withdrawn; or
- (c) the Shareholder is an 'Exempt Irish Resident' as defined in the Prospectus.

Dividend, interest and capital gains (if any) received on investments made by the Company may be subject to withholding tax imposed by the country from which the investment income/gains are received and such taxes may not be recoverable by the Company or its Shareholders.

#### 6. Cash and Cash Equivalents

Cash comprises current deposits with banks and short-term money market instruments. Cash equivalents are short-term highly liquid investments that are readily convertible to known amounts of cash, are subject to low levels of market price risk, and are held for the purpose of meeting short-term cash commitments rather than for investments or other purposes.

Cash is held via the Bank of New York Mellon SA/NV, Dublin Branch (the "Depositary"), which is a wholly owned subsidiary of The Bank of New York Mellon SA/NV, and any sub-custodians. Cash and cash equivalents are valued at their face value with interest accrued, where applicable.

#### 7. Financial Risk Management

The Company's investment activities expose it to various types of risk that are associated with the financial instruments and markets in which it invests. The following information is not intended to be a comprehensive summary of all risks and investors should refer to the Company's Prospectus and supplements for a more detailed discussion of the inherent risks of investing in the Company.

The Board reviews quarterly investment performance reports and receives quarterly presentations from Shenkman Capital Management Inc. (the "Investment Manager") covering each Sub-Fund's performance and risk profile during the financial year. The Board reviews and has agreed the policies for managing the Company's risks. These policies have remained substantially unchanged since the beginning of the financial year to which these financial statements relate. The Investment Manager has been engaged to manage the financial risks of the Company. Details of all risks can be found in the Prospectus and supplements.

The risk exposure of the Company is set out as below:

#### (a) Market risk

Market risk arises mainly from uncertainty about future values of financial instruments influenced by price, currency and interest rate movements. It is a general risk that represents the potential loss the Company may suffer through holding market positions in the face of market movements. Market risk includes market price risk, interest rate risk and foreign currency risk.

#### (i) Market price risk

Market price risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. The maximum price risk resulting from the ownership of financial instruments, excluding derivatives, is determined by the fair value of financial instruments. The Company is exposed to market price risk primarily by virtue of its investment into fixed and variable corporate bonds, convertible bonds and term loans. The Investment Manager generally considers the asset allocation of the portfolio in order to minimise the risk associated with particular countries or industry sectors whilst continuing to follow each Sub-Fund's investment objective. The Company's market price risk is managed on a daily basis by the Investment Manager in accordance with policies and procedures in place. Details of financial assets and liabilities at fair value through profit or loss are disclosed in Note 2. An overview of each Sub-Fund's investment portfolio as at 30 June 2023 is set out within the Schedule of Investments.

Notes to the financial statements (continued)

#### 7. Financial Risk Management (continued)

#### (a) Market risk (continued)

#### (i) Market price risk (continued)

The sensitivity analysis below assumes a change in the market price of the securities while holding all other variables constant. In practice all other variables are unlikely to remain constant, and changes in some of the variables may be correlated. In addition, as the analysis is based on historical data it cannot take account of future market price movements. The market price information represents a hypothetical outcome and is not intended to be predictive.

A 5% increase in the market value of investments held by the Sub-Funds as at 30 June 2023 and 30 June 2022 with all other variables held constant, would have increased the net assets as follows:

Sensitivity Analysis	30 June 2023	30 June 2022
	US\$	US\$
Shenkman High Income Fund	2,603,291	4,327,523
Shenkman Short Duration High Income Fund*	N/A	589,853
Shenkman Global Convertible Bond Fund	2,055,141	2,086,102

<sup>\*</sup>Ceased trading effective 24 February 2023.

A decrease in the market value of investments held by the Sub-Funds by 5% would have resulted in an equal and opposite effect on the net assets, assuming that all other variables remained constant.

Based on historic movements and volatilities in the Sub-Funds and the Investment Manager's knowledge and experience of the financial markets, a 5% movement is considered 'reasonably possible' over a 12 month period. The estimated percentage does not constitute a performance forecast and actual performance results may vary.

#### **Global Exposure to Financial Derivative Instruments**

The Company will employ the commitment approach to assess the Sub-Funds' global exposure and to ensure that the Sub-Funds' use of derivative instruments is within the limits specified by the Central Bank. Global exposure will be calculated daily.

While the Sub-Funds may be leveraged through the use of the Financial Derivative Instruments ("FDIs"), any such leverage will not exceed 100% of a Sub-Fund's Net Asset Value.

#### (ii) Interest Rate Risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in prevailing interest rates. The Company is exposed to interest rate risk through its investments in securities with fixed and floating rates of interest and its cash balances. High yield securities as an asset class have traditionally been less sensitive to interest rate risk relative to other asset classes such as investment grade bonds. However, an increase in interest rates will generally reduce the value of a Sub-Fund's portfolio, while a decline in interest rates will generally increase the value of a Sub-Fund's portfolio. To mitigate the negative impact of a rising interest rate environment, the Investment Manager manages the Company's interest rate risk on a daily basis in accordance with policies and procedures in place.

Notes to the financial statements (continued)

### 7. Financial Risk Management (continued)

#### (a) Market risk (continued)

#### (ii) Interest Rate Risk (continued)

The interest rate profile of fixed income securities and other interest bearing instruments held by the Company for the financial years ended 30 June 2023 and 30 June 2022 is as follows:

#### **Shenkman High Income Fund**

Shenkman Short Duration High Income Fund ceased trading effective 24 February 2023.

As at 30 June 2023 and 30 June 2022, the Shenkman Short Duration High Income Fund did not hold any investments in securities denominated in a currency other than the US\$ (each, a "foreign currency") nor did it hold any material assets or liabilities in a foreign currency.

Consequently, this Sub-Fund had immaterial levels of exposure to foreign currency risk during the financial years ended 30 June 2023 and 30 June 2022. The effect of any reasonably possible movement in foreign currency exchange rates would have had an immaterial effect on the net assets of this Sub-Fund. Currency exposures can change at any time.

The Company is exposed to share class currency risk whereby there is currency exposure at the share class level for all share classes that are denominated in a different currency than the functional currency of the Company (US\$). This means that changes in currency exchange rates may cause the value of non-US\$ share classes to decrease even if the value of the Company's investments increases. The Company manages this risk with respect to "hedged" share classes only through the use of forward foreign currency contracts. Since currency exposure is solely applicable to a share class and any gain/loss on hedging is allocated specifically to that share class, analysis of the exposure and a sensitivity analysis is not considered to be required.

#### (b) Credit risk

The Company invests primarily in debt securities that have a non-investment grade rating as determined by Standard & Poor's (S&P) or Moody's ("high yield securities"). These investments are subject to greater credit risks than investment grade debt securities. The risk of loss due to default by issuers of high yield securities is significantly greater because medium and lower rated securities and unrated securities of comparable quality generally are unsecured and frequently are subordinated to the prior payment of senior indebtedness. Consequently, issuers of high yield securities are less likely to be able to make interest payments on their debt than issuers of investment grade securities. So there is greater risk for a Sub-Fund to lose all or a portion of its investment.

Notes to the financial statements (continued)

#### 7. Financial Risk Management (continued)

#### (b) Credit risk (continued)

The Company's credit risk is managed on a daily basis by the Investment Manager in accordance with policies and procedures in place, including, without limitation, a review of the issuer's financial resources, its sensitivity to economic conditions and trends, the operating history of and the community support for the facility financed by the issue, the ability of the issuer's management and regulatory matters.

The tables below show the Company's bond composition by rating category as at 30 June 2023 and 30 June 2022. Credit risk in relation to cash held at the Depositary is dealt with separately in section (d) of this note.

#### Offsetting and amounts subject to master netting arrangements and similar agreements

As at 30 June 2023 and 30 June 2022, the Company was subject to one master netting arrangement, dated 8 October 2018, with its sole derivative counterparty, The Bank of New York Mellon. All of the derivative assets and liabilities of the Company are held with this counterparty and there are no margin balances or collateral maintained by the Company in relation to derivative positions.

The tables overleaf present the Company's financial assets and liabilities subject to offsetting, enforceable master netting arrangements and similar agreements. The tables are presented by type of financial instrument. There have been no financial derivative instruments for offsetting on the Shenkman Short Duration High Income Fund as at 30 June 2023 and 30 June 2022.

#### 7. Financial Risk Management (continued)

#### (c) Liquidity risk

Liquidity risk exists when a particular instrument is difficult to purchase or sell or when there is a need to meet redemption requests from shareholders. If a transaction is particularly large or if the relevant market is illiquid, it may not be possible to initiate a transaction or liquidate a position at an advantageous price.

Liquidity risk is assessed by the Investment Manager in its review of the risk profile of the Sub-Funds. The Sub-Funds deal daily and their investments largely comprise high yield debt instruments traded on regulated markets. Still, the secondary markets may be less liquid for these securities, which at certain times may: (i) affect their value; (ii) make their valuation and sale more difficult; and (iii) result in greater volatility. The Investment Manager seeks to mitigate the Company's liquidity risk by diversifying the underwriters/market-makers through which it effectuates transactions and limiting the amount of any one issue purchased.

The tables below analyse the Company's liabilities with relevant maturities at the statement of financial position date:

#### (d) Counterparty credit and custody risk

Counterparty credit risk is the risk that the counterparty to a financial instrument will fail to discharge an obligation or commitment that it has entered into with the Company. The Company is exposed to counterparty credit risk with respect to each Sub-Fund. Furthermore, the Company is exposed to counterparty risk with respect to all counterparties with whom the Sub-Funds trade and bears the risk of settlement default. Counterparty risk is still relevant and is assessed by the Investment Manager in its review of the risk profile of the Company.

All transactions involving transferable securities are settled upon delivery using approved brokers. The risk of default is considered minimal, as delivery of securities sold is only made once the counterparty has received payment. Payment is made on a purchase once the securities have been received by the counterparty. A trade will fail if either party fails to meet its obligations.

Cash held by the Company is detailed in Note 6.

While cash held by the Depositary is identifiable as belonging to the Company, the Company is exposed to the credit risk of the Depositary (and any other financial institution where its cash is deposited). In the event of insolvency of the financial institution, the Company will be treated as a general creditor of the financial institution in relation to cash holdings of the Company.

As at 30 June 2023, the credit rating of the Depositary, as assessed by S&P's, was AA- (30 June 2022: AA-).

There were also forward foreign currency contracts open with The Bank of New York Mellon as at 30 June 2023 as disclosed in the Schedule of Investments.

Notes to the financial statements (continued)

#### 8. Fees

#### **Management and Investment Management Fees**

Carne Global Fund Managers (Ireland) Limited, an Irish based UCITS management company, acting as manager to the Company and each Sub-Fund of the Company (the "Manager"), and pursuant to the management agreement (the "Management Agreement"), the Manager shall be paid a fee out of the assets of each Sub-Fund, calculated and accrued on each Dealing Day and payable monthly in arrears, of an amount up to 0.02% of the Net Asset Value of each Sub-Fund (plus VAT, if any), subject to a monthly minimum fee up to €2,000 per Sub-Fund (plus VAT, if any). The Manager is entitled to receive out of the assets of the Sub-Funds reasonable and properly vouched expenses.

The Manager is responsible for the general management and administration of the Company's affairs and for ensuring compliance with the UCITS Regulations, including investment and reinvestment of each Sub-Fund's assets, having regard to the investment objective and policies of each Sub-Fund. However, pursuant to the administration agreement (the "Administration Agreement"), the Manager has delegated certain of its administration and transfer agency functions in respect of each Sub-Fund to the Administrator. The Company and the Manager have appointed Shenkman Capital Management, Inc. as the investment manager (the "Investment Manager") of the Company. Pursuant to the investment management agreement (the "Investment Management Agreement), the Manager has delegated certain investment management functions in respect of each Sub-Fund to the Investment Manager.

In respect of the Class A Shares of Shenkman High Income Fund, Shenkman Short Duration High Income Fund (up to the date when it ceased trading on 24 February 2023) and Shenkman Global Convertible Bond Fund, the Investment Manager shall be or has been entitled, as applicable, to receive, out of the assets of each Sub-Fund, an investment management fee accrued at each Dealing Day and payable monthly in arrears, of up to 1.00 per cent per annum of the Net Asset Value of the Sub-Fund. In respect of the Class B Shares of Shenkman High Income Fund, Shenkman Short Duration High Income Fund (up to the date when it ceased trading on 24 February 2023) and Shenkman Global Convertible Bond Fund, the Investment Manager shall be or has been entitled, as applicable, to receive, out of the assets of each Sub-Fund, an investment management fee accrued at each Dealing Day and payable monthly in arrears, of up to 1.50 per cent per annum of the Net Asset Value of the Sub-Fund. The Investment Manager shall be responsible for discharging out of its investment management fee, the fees payable to any Distributor appointed by the Investment Manager. In respect of the Class C Shares of Shenkman High Income Fund and Shenkman Short Duration High Income Fund (up to the date when it ceased trading on 24 February 2023), the Investment Manager shall be or has been entitled, as applicable, to receive, out of the assets of each Sub-Fund, an investment management fee accrued at each Dealing Day and payable monthly in arrears, of up to 1.00 per cent per annum of the Net Asset Value of the Sub-Fund. No portion of the investment management fee paid in respect of the Class C Shares shall in any circumstances be used to pay the fees and/or expenses of any Distributor appointed by the Investment Manager. In respect of the Class M Shares of Shenkman High Income Fund and Shenkman Short Duration High Income Fund (up to the date when it ceased trading on 24 February 2023), the Investment Manager shall be or has been entitled, as applicable, to receive, out of the assets of each Sub-Fund, an investment management fee accrued at each Dealing Day and payable monthly in arrears, of up to 1.00 per cent per annum of the Net Asset Value of the Sub- Fund. No distribution fees are payable in respect of the Class M Shares. In respect of the Class N Shares of Shenkman High Income Fund and Shenkman Short Duration High Income Fund (up to the date when it ceased trading on 24 February 2023), the Investment Manager shall be or has been entitled, as applicable, to receive, out of the assets of each Sub-Fund, an investment management fee accrued at each Dealing Day and payable monthly in arrears, of up to 1.00 per cent per annum of the Net Asset Value of the Sub-Fund. No distribution fees are payable in respect of the Class N Shares.

The Investment Manager shall be entitled to be reimbursed by the Company, on demand, for all reasonable disbursements and out-of-pocket expenses incurred by them, if any.

Notes to the financial statements (continued)

#### 8. Fees (continued)

#### Management and Investment Management Fees (continued)

The Investment Manager voluntarily agreed to impose an 85 basis point cap on expenses of Shenkman High Income Fund, Shenkman Short Duration High Income Fund (up to the date when it ceased trading on 24 February 2023) and Shenkman Global Convertible Bond Fund. Any expenses over this cap were paid by the Investment Manager during the financial years ended 30 June 2023 and 30 June 2022.

Management Fees charged and Investment Management Fees charged and reimbursed during the financial years ended 30 June 2023 and 30 June 2022 are disclosed in the Statement of Comprehensive Income. Fees outstanding as at 30 June 2023 and 30 June 2022 are disclosed in the Statement of Financial Position.

#### **Administration and Depositary Fees**

BNY Mellon Fund Services (Ireland) Designated Activity Company (the "Administrator") is entitled to receive, out of the assets of each Sub-Fund, an administration fee accrued at each dealing day and payable monthly in arrears, ranging from 0.005% up to 0.0225% per annum of the Net Asset Value of each Sub-Fund subject to a minimum fee of US\$50,000 per annum per Sub-Fund.

The Depositary is entitled to receive, out of the assets of each Sub-Fund, a depositary fee accrued at each dealing day and payable monthly in arrears, ranging from 0.00345% up to 0.014375% per annum of the Net Asset value of each Sub-Fund, subject to a minimum fee of US\$23,000 per annum, calculated and invoiced monthly, and to certain transaction charges which shall be charged at normal commercial rates. The Depositary disburses out of its own fee all Sub-Custodian charges arising in respect of the Sub-Funds.

Administration and Depositary Fees charged during the financial years ended 30 June 2023 and 30 June 2022 are disclosed in the Statement of Comprehensive Income. Fees outstanding as at 30 June 2023 and 30 June 2022 are disclosed in the Statement of Financial Position.

#### **Directors' Fees**

The Constitutional documents provide that the Directors are entitled to a fee by way of remuneration for their services at a rate to be determined from time to time by the Directors. Employees, partners and officers of the Investment Manager and its affiliates are not entitled to receive Directors' fees. The Directors are also entitled to be reimbursed by the Company for all reasonable disbursements and out-of-pocket expenses incurred by them, if any.

Directors' fees accrued through profit and loss in the Statement of Comprehensive Income and which pertain to the financial year ended 30 June 2023 amounted to US\$62,875 (2022: US\$47,687).

#### **Auditor's Remuneration**

The below table discloses audit remuneration fees to be paid for the financial year by the Company:

	30 June 2023	30 June 2022
	EUR	EUR
Annual Audit fees (excluding VAT)	25,000	31,500
Out of Pocket expenses	750	945

There were no fees paid in respect of non-audit services for the financial years ended 30 June 2023 and 30 June 2022.

Notes to the financial statements (continued)

#### 9. Exchange Rates

Currencies or values in currencies other than in the designated currency of the Company are translated or converted into the said designated currency at the closing rates of exchange at each end. Transactions during the financial year, including purchases and sales of securities, income and expenses, are translated at the rate of exchange prevailing on the date of the transaction.

The exchange rates prevailing as at 30 June 2023 and 30 June 2022 which are used to convert assets and liabilities denominated in other currencies are as follows:

	30 June 2023	30 June 2022
CHF	0.894640	0.957347
EUR	0.916585	0.956524
GBP	0.786565	0.823418
JPY	144.535022	135.854996
NOK	10.713572	9.879699

#### 10. Share Capital

The Company had issued Subscriber Shares to the value of EUR300,000 represented by 300,000 shares for the purposes of incorporating the Company. Shenkman Capital Management, Inc. redeemed 299,999 Subscriber Shares. The remaining Subscriber Share is held by Shenkman Capital Management, LLC. The Subscriber Shares do not participate in the assets of the Company. The Company reserves the right to redeem the Subscriber Share provided that the Company at all times has a minimum issued share capital to the value of EUR300,000.

Each of the redeemable participating shares (the "Shares") entitles the shareholder to participate on a pro rata basis in the dividends and net assets of the Company attributable to the relevant class in respect of which they are issued, save in the case of dividends declared prior to becoming a shareholder. The Subscriber Shares' entitlement is limited to the amount subscribed and accrued interest thereon.

The table below and overleaf represents the changes in the number of Shares for the financial years ended 30 June 2023 and 30 June 2022:

The Shares do not represent the most 'subordinate' class of instrument and are classified as financial liabilities. The Shares have priority over other claims to the assets of the entity on liquidation. The Shares can be put back into each Sub-Fund on any dealing day for cash equal to a proportionate share of the Sub-Fund's net asset value. Each Sub-Fund generally provides its shareholders with the right to redeem their interests in the Sub-Fund at any dealing date for cash equal to their proportionate share of the net asset value of that Sub-Fund. Under IAS 32 "Financial Instruments: Presentation", this right represents in substance a liability of the Sub-Fund to shareholders.

The Shenkman High Income Fund, the Shenkman Short Duration High Income Fund (up to the date when it ceased trading on 24 February 2023) and the Shenkman Global Convertible Bond Fund each deal or dealt, as applicable, daily. With the exception of the Shenkman High Income Fund, an anti-dilution levy may be applied to the subscription and/or redemption price of Shares on any dealing day where there have been net subscriptions/redemptions by adding/deducting therefrom such a figure as the Investment Manager considers appropriate to cover dealing costs and to preserve the value of the underlining assets of the relevant Sub-Fund. An anti-dilution levy may be charged where there are net subscriptions into the Shenkman High Income Fund only on any dealing day in which the net asset value of the Sub-Fund is less than US\$1 billion. Any amount added to a subscription price or deducted from a redemption price will be paid into the assets of the relevant Sub-Fund.

An anti-dilution levy of up to 0.53% was applied to net subscriptions into the Shenkman High Income Fund during the financial year (30 June 2022: 0.49%). There has been no anti-dilution levy applied to subscriptions into or redemptions out of the Shenkman Short Duration High Income Fund during the financial year and up to the date when it ceased trading on 24 February 2023 (30 June 2022: Nil). There has been no anti-dilution levy applied to net subscriptions into the Shenkman Global Convertible Bond Fund for the financial year ended 30 June 2023 (30 June 2022: 0.62%). The anti-dilution levy earned during the financial year is detailed in the Statement of Comprehensive Income.

Notes to the financial statements (continued)

#### 11. Soft Commissions

The Company did not engage in any soft commission transactions during the financial years ended 30 June 2023 and 30 June 2022.

#### 12. Net Asset Value per Share

There was no difference in the net asset value included in the financial statements versus the net asset value included in the published valuations as at 30 June 2023, 30 June 2022 and 30 June 2021.

Notes to the financial statements (continued)

#### 13. Related Party Transactions

Parties are considered to be related if one party has the ability to control the other party or exercise significant influence over the other party in making financial or operational decisions, or if the party is a member of the key management personnel of the entity or its parent.

As at 30 June 2023 and 30 June 2022, the Investment Manager is deemed to be a related party of the Company. For details relating to the fees paid to the Investment Manager, please see Statement of Comprehensive Income.

The Investment Manager has the ability to execute "cross trades" between the Company's Sub-Funds and other client accounts it manages. During the financial year, the Investment Manager crossed 1 security on behalf of the Shenkman High Income Fund from or to other client accounts managed by the Investment Manager with an aggregate trading volume of US\$31,935 (30 June 2022: US\$765,861). During the financial year, the Investment Manager crossed 24 securities on behalf of the Shenkman Short Duration High Income Fund from or to other client accounts managed by the Investment Manager with an aggregate trading volume of US\$283,859 (30 June 2022: US\$229,847). During the financial year, the Investment Manager did not purchase or sell any securities on behalf of the Shenkman Global Convertible Bond Fund from or to other accounts managed by the Investment Manager (30 June 2022: US\$Nil). The Investment Manager did not receive any fees or commissions in connection with these transactions. All cross trades notified by the Investment Manager during the financial year have been reviewed by the Depositary.

The Company has entered into a Facilities Agent Agreement with Shenkman Capital Management Ltd, pursuant to which Shenkman Capital Management Ltd serves as the facilities agent to the Company for the purpose of providing and maintaining the facilities required of a recognised collective investment scheme in the United Kingdom. Shenkman Capital Management Ltd is a whollyowned subsidiary of the Investment Manager.

Carne Global Fund Managers (Ireland) Limited was appointed as Manager of the Company and as such is deemed to be a related party of the Company. For details relating to the fees paid to the Manager, please see Statement of Comprehensive Income.

Teddy Otto, a Director of the Company, is also a Director of Carne Global Fund Managers (Ireland) Limited (the "Manager") and a principal of Carne Global Financial Services Limited, the parent Company of the Manager. Yvonne Connolly, a director of the Company, is also a principal of Carne Global Financial Services Limited, the parent Company of the Manager. Carne Global Financial Services Limited earned fees during the financial year in respect of other fund governance services provided to the Company, these fees amounted to €81,331 (approximately US\$85,050), paid during the financial year ended 30 June 2023 (30 June 2022: €82,282 (approximately US\$92,644)).

Serge Todorovich, General Counsel and Chief Compliance Officer of the Investment Manager, and Frank X. Whitley are shareholders of the Investment Manager. The Investment Manager was a shareholder of Shenkman Short Duration High Income Fund (up to the date when it ceased trading on 24 February 2023). As at 30 June 2022, the Investment Manager held 524 shares in Share Class A USD Accumulating of Shenkman Short Duration High Income Fund. The remaining Directors did not hold any shares in the Company during or as at the end of the current and prior financial year. There have been no investments by the Sub-Funds within the Company for the financial year ended 30 June 2023 or the financial year ended 30 June 2022.

#### 14. Significant Events During the Financial Year

The Sub Funds' Credit Facility Agreement with the Bank of New York Mellon, London Branch expired on 8 July 2022.

Effective 15 August 2022, Shenkman Capital Management, Inc. has changed its address from 461 Fifth Avenue, 22<sup>nd</sup> Floor, New York, NY 10017, United States of America to 151 West 42<sup>nd</sup> Street, 29<sup>th</sup> Floor, New York, NY 10036, United States of America.

Notes to the financial statements (continued)

#### 14. Significant Events During the Financial Year (continued)

Share Class A GBP Hedged Income Distributing Shares and Share Class A USD Income Distributing Shares of Shenkman High Income Fund were fully redeemed as of 14 October 2022 and 15 December 2022, respectively.

Share Class A GBP Hedged Accumulating of Shenkman Global Convertible Bond Fund was fully redeemed as of 23 May 2023.

The Board of Directors decided to close the Shenkman Short Duration High Income Fund on 3 February 2023 after determining that continuing the Sub-Fund's operations would no longer be in shareholders' best interests. On 3 February 2023, shareholders were notified of the decision to compulsory redeem all remaining shares and terminate the Sub-Fund on 24 February 2023.

Events arising in Ukraine, as a result of military action being undertaken by Russia in Ukraine, may impact on securities directly or indirectly related to companies domiciled in Russia and/or listed on exchanges located in Russia ("Russian Securities"). As at 30 June 2023, none of the Sub-Funds have direct exposure to Russian Securities. The Directors are monitoring developments related to this military action, including current and potential future interventions of foreign governments and economic sanctions.

The outbreak of Coronavirus (COVID-19), declared by the World Health Organisation ("WHO") as a global pandemic in March 2020 and has impacted many aspects of daily life and the global economy since this date. On 5 May 2023, the WHO have announced that COVID-19 is no longer a public health emergency of international concern. However, this does not mean the pandemic itself is over, but the global emergency it has caused is, for now. The WHO will establish a Review Committee that will develop long-term, standing recommendations for countries on how to manage COVID-19 on an ongoing basis. Most travel movements and operational restrictions implemented by many countries have returned to normal. While many economies globally have reopened the pace of recovery has varied from country to country and most countries also now impacted by the rising inflation as a global phenomenon. The Directors together with the Manager will continue to monitor business continuity and resilience processes with the objective of mitigating any ongoing impact of COVID-19.

There were no other significant events that occurred during the financial period that would require disclosure in these financial statements.

#### 15. Subsequent Events

From 1 July 2023 through the date of approval of these financial statements, there were approximately \$50,196,422 in net redemptions in the Shenkman High Income Fund. The Board of Directors made the decision to wind down the Shenkman High Income Fund on 4 October 2023 after determining that continuing the Sub-Fund's operations would no longer be in shareholders' best interests and it will cease trading effective 25 October 2023.

Effective 1 November 2023, the address of the Manager, the Company Secretary and registered office of the Company will change from 2<sup>nd</sup> Floor, Block E, Iveagh Court, Harcourt Road, Dublin 2, Ireland, D02 YT22 to 2<sup>nd</sup> and 3<sup>rd</sup> Floors, 55 Charlemont Place, Dublin 2, Ireland, D02 F985.

There were no other subsequent events that occurred after the financial year end that would require disclosure in these financial statements.

Notes to the financial statements (continued)

#### 16. Cross Liability between Sub-Funds

Each Sub-Fund is responsible for paying its fees and expenses regardless of the level of its profitability. The Company is an umbrella fund with segregated liability between Sub-Funds and under Irish law the Company generally will not be liable as a whole to third parties and there generally will not be the potential for cross liability between Sub-Funds. There can be no assurance that, should an action be brought against the Company in the courts of another jurisdiction, the segregated nature of the Sub-Funds would be necessarily upheld. As at 30 June 2023, the Directors are not aware of any such existing cross liability (30 June 2022: US\$Nil).

#### 17. Efficient Portfolio Management

Investment techniques and financial derivative instruments may be used for efficient portfolio management or investment purposes within the limits of the Company's Prospectus. For UCITS which have engaged in efficient portfolio management techniques, the use of techniques and instruments for efficient portfolio management purposes is subject to the conditions and the limits laid down by the Central Bank UCITS Regulations.

In accordance with the Central Bank UCITS Regulations, the revenues arising from repurchase agreements, stock lending transactions and forward foreign currency contracts for the entire reporting year, together with the direct and indirect operational costs and fees incurred, should be disclosed in the financial statements of the UCITS.

During the financial years ended 30 June 2023 and 30 June 2022, the Sub-Funds did not enter into any repurchase agreements and stock lending transactions. Revenues arising from forward foreign currency contracts are disclosed in the Statement of Comprehensive Income within Net Gains/ (Losses) on Financial Assets and Liabilities at Fair Value through Profit or Loss. Transaction costs on the purchases and sales of forward foreign currency contracts are included in the purchase and sale price of the contract. These costs cannot be practically or reliably gathered as they are embedded in the cost of the contract and cannot be separately verified or disclosed.

#### 18. Securities Financing Transactions Regulation

During the financial year, the Sub-Funds have not invested in Securities Financing Transactions as defined in Regulation (EU) 2015/2365. Due to this fact, there is no obligation to disclose further information for such instruments.

#### 19. Commitments and Contingent Liabilities

There were no significant commitments or contingent liabilities as at 30 June 2023 and 30 June 2022.

#### 20. Approval of Financial Statements

The financial statements were approved by the Board on 23 October 2023.

<sup>&</sup>lt;sup>a</sup> In accordance with the UCITS Regulations, a statement of significant changes in the composition of each Sub-Fund's portfolio of investments during the reporting year is provided to ensure that shareholders can identify changes in the investments held by each of the Sub-Funds. These are defined as the aggregate purchases and sales of an investment exceeding 1.00% of the total value of purchases and sales for financial year. At a minimum, the largest twenty purchases and sales are listed. If a Sub-Fund entered into less than twenty purchases or sales during the reporting year, then all transactions are presented.

#### **Appendix**

#### **Unaudited UCITS V Remuneration Disclosure**

#### Carne Global Fund Managers (Ireland) Limited

The European Union Directive 2014/91/EU as implemented in Ireland by S.I. No. 143/2016 - European Union (Undertakings for Collective Investment in Transferable Securities) (Amendment) Regulations 2016, requires management companies to establish and apply remuneration policies and practices that promote sound and effective risk management, and do not encourage risk taking which is inconsistent with the risk profile of the UCITS.

To that effect, Carne Global Fund Managers (Ireland) Limited ("the **Manager**"), has implemented a remuneration policy that applies to all UCITS for which the Manager acts as manager (the "Remuneration Policy") and covers all staff whose professional activities have a material impact on the risk profile of the Manager or the UCITS it manages ("**Identified Staff of the Manager**"). The Remuneration Policy also applies to all alternative investment funds for which the Manager acts as alternative investment fund manager. In accordance with the Remuneration Policy, all remuneration paid to Identified Staff of the Manager can be divided into:

- Fixed remuneration (payments or benefits without consideration of any performance criteria); and
- Variable remuneration (additional payments or benefits depending on performance or, in certain cases, other contractual criteria) which is not based on the performance of the UCITS.

The Manager has designated the following persons as Identified Staff of the Manager:

- 1. The Designated Persons;
- 2. Each of the Manager's directors;
- 3. Head of Compliance;
- 4. Risk Officer;
- 5. Head of Anti-Money Laundering and Counter Terrorist Financing Compliance
- 6. Money Laundering Reporting Officer;
- 7. Chief Executive Officer;
- 8. Chief Operating Officer;
- 9. All members of the investment committee.

The Manager has a business model, policies, and procedures which by their nature do not promote excessive risk taking and take account of the nature, scale, and complexity of the Manager and the UCITS. The Remuneration Policy is designed to discourage risk taking that is inconsistent with the risk profile of the UCITS and the Manager is not incentivised or rewarded for taking excessive risk.

The Manager has determined not to constitute a separate remuneration committee and for remuneration matters to be determined through the Manager's Compliance and AML Committee, a Committee of the Manager's Board.

The Manager's Compliance and AML Committee is responsible for the ongoing implementation of the Manager's remuneration matters and will assess, oversee, and review the remuneration arrangements of the Manager as well as that of the delegates as relevant, in line with the provisions of the applicable remuneration requirements.

#### Appendix (continued)

#### **Unaudited UCITS V Remuneration Policy (continued)**

#### Carne Global Fund Managers (Ireland) Limited (continued)

The Manager has a number of directly employed staff. The Manager's parent company is Carne Global Financial Services Limited ("Carne"). In addition, Carne also operates through a shared services organisational model which provides that Carne employs staff and further enters into inter-group agreements with other Carne Group entities within the group to ensure such entities are resourced appropriately. As at 31 December 2022, 10 of the Identified Staff are employed directly by the Manager. The remainder of the Identified Staff are employees of Carne, or employees of another entity within the Carne Group, and are remunerated directly based on their contribution to Carne Group as a whole. In return for the services of each of the Carne Identified Staff, the Manager pays an annual staff recharge to Carne (the "Staff Recharge").

The independent non-executive directors are paid a fixed remuneration. The Other Identified Staff member's remuneration is linked to their overall individual contribution to the Manager or the Carne Group, with reference to both financial and non-financial criteria and not directly linked to the performance of specific business units or targets reached or the performance of the UCITS.

The aggregate of the total Staff Recharge, remuneration of the directly employed identified staff of the Manager and the remuneration of the independent non-executive directors is €2,502,802 paid to 16 Identified Staff\* for the year ended 31 December 2022.

The Manager has also determined that, on the basis of number of sub-funds / net asset value of the UCITS relative to the number of sub-funds / assets under management, the portion of this figure attributable to the UCITS is  $\in 5,954$ .

The Company does not pay any fixed or variable remuneration to identified staff of the Investment Manager.

<sup>\*</sup>This number represents the number of Identified Staff as at 31 December 2022.

### Appendix (continued)

#### **EU Sustainability Regulation**

The Sub-Funds are categorized as Article 6 funds under Regulation (EU) 2019/2088 of the European Parliament and of the Council of 27 November 2019 on sustainability-related disclosures in the financial services sector.

The investments underlying these Sub-Funds do not take into account the EU criteria for environmentally sustainable economic activities within the meaning of Regulation (EU) 2020/852 of the European Parliament and of the Council of 18 June 2020 on the establishment of a framework to facilitate sustainable investment, and amending Regulation (EU) 2019/2088.
